This **OWNER PARTICIPATION AND DEVELOPMENT AGREEMENT** (this "Agreement") dated as of March 29, 2013 (the "Effective Date"), is made by and between the **CITY OF EL CAJON**, a charter city and municipal corporation (the "City"), and **SUNROAD EC LAND, INC.**, a California Corporation (the "Developer").

### RECITALS

The following recitals are a substantive part of this Agreement:

A. The City is interested in the development of a new BMW dealership consistent with BMW USA's new image requirements, which include modern European style frontage, showroom service areas, and customer waiting areas (the "Dealership") that will serve BMW customers, and the Developer has expressed an interest in developing the Dealership on property located at 720 El Cajon Boulevard in the City (the "Site").

B. The successful operation of the Dealership is an important component in the City's efforts to revitalize El Cajon Boulevard and maintain a vibrant and expanding group of new auto dealerships in the City to promote economic development and employment opportunities for its citizens.

C. Recent changes in redevelopment law and the allocation of property tax revenues between municipalities and the State of California require the public and private sectors to consider new and innovative structures to promote redevelopment in order to realize significant public benefits in the form of increase revenues and employment opportunities.

D. The Developer has recently acquired the Site and improvements thereon. The Site is more particularly described on Attachment 1, which is attached hereto and incorporated herein by this reference.

E. Subject to and as provided by this Agreement, the parties contemplate that (i) the Developer will reconfigure, renovate and rehabilitate the Site so that it conforms to the current manufacturer's requirements for a BMW motorcar dealerships (the "Project"), as further defined herein, and (ii) the City will provide financial assistance towards the costs incurred by the Developer to construct the Project.

F. The City has determined that the imposition of certain operating covenants and restrictive covenants with respect to the Project constitutes a valid public purpose, and therefore the City desires to obtain such operating covenants and restrictive covenants with respect to the Project in consideration of the transfer of sums in accordance with the terms hereof.

G. In consideration for the Developer's agreement to be bound by such operating covenants and restrictive covenants, the City has agreed to make certain payments to the Developer. The City and the Developer agree the amount of each payment required to be made by the City hereunder is a fair exchange for the consideration actually furnished pursuant to this Agreement by the Developer during each fiscal year of the City in which payment is made, that

each payment to be made by the City hereunder has been calculated so that it will not exceed the resources available to make such payment, and further that in no event shall the City be immediately indebted to the Developer for the aggregate payments herein provided.

H. The purpose and intention of the City in making the transfers to the Developer is solely to induce the Developer to construct the public improvements described in this Agreement and to develop and operate, or cause to be developed and operated, the Project on the Site so as to further the enhancement, the well-being of the citizens at large, the enhanced local employment, and expand the City's tax revenue base.

I. This Project is categorically exempt from environmental review pursuant to Section 15301 (Existing Facilities) of the California Environmental Quality Act (California Public Resources Code § 21000 et seq.) ("CEQA").

J. This Agreement and the Developer's development of the Project is a new and innovative structure of public and private participation in an effort to promote and assist economic development in the City, which will realize significant public benefits in the form of increased revenues to the City and increased employment opportunities of quality trades, and are in the vital and best interest of the City.

**NOW, THEREFORE**, for and in consideration of the mutual promises, covenants and conditions contained herein, the City and the Developer agree as follows:

1. RECITALS INCORPORATED.

The recitals are hereby incorporated by reference into this Agreement and are a material part of this Agreement.

2. DEVELOPMENT OF THE SITE

2.1 Description of Project. The Project shall consist of the Developer's rehabilitation of the Site as further described in the Scope of Development attached hereto and incorporated herein as Attachment 2 (the "Scope of Development"). The Developer shall construct the Project in compliance with (i) the terms and conditions of this Agreement, (ii) the "Project Entitlements" (as that term is defined in Section 2.2 below), (iii) current factory standards for BMW USA ("BMW") motorcar dealerships ("BMW Standards"), (iv) all plans and permits approved by City with respect to the Project, and (v) the Schedule of Performance attached hereto and incorporated herein as Attachment 3. The Developer shall thereafter operate the Project as provided in Section 4 below. The Developer shall ensure that all designs prepared for the Project shall be (1) prepared by an architect and development team that is recognized by BMW as having the expertise and ability to prepare and implement plans that meet BMW Standards, and (2) approved by BMW as being compliant with BMW Standards.

2.2 Project Entitlements. As a condition precedent to the Developer's right to construct the Project under this Agreement, the Developer shall obtain from the City all permits, approvals, and entitlements necessary for the Project as required in this Agreement, by applicable State law, by City code, and all other applicable laws, including but not limited to any

approvals or certifications as required by CEQA, the approval of which is subject to the City's legislative discretion (all of the foregoing, the "Project Entitlements"). City staff shall use reasonable efforts to assist the Developer in coordinating the expeditious processing and consideration of the Project Entitlements. However, the execution of this Agreement does not constitute the granting of or a commitment to obtain the Project Entitlements required by the City, nor does such execution obligate the City to incur any expense in assisting the Developer in the acquisition of the Project Entitlements. In the event of a conflict between BMW Standards and the Project Entitlements, the Project Entitlements shall control.

2.3 Entitlement Process. The Developer acknowledges that the requirements set forth in this Article 2, including, without limitation the Developer's construction and completion of the Project, are material considerations for the participation by the City in this Agreement, and that but for such requirements, the City would not have entered into this Agreement. The Developer acknowledges and agrees that in reviewing and approving documents under this Section 2.3, the City is not acting on behalf of the Developer. Further, the Developer understands that the City shall conduct its typical governmental functions and exercise of its police powers in its capacity as the jurisdiction responsible for land use and building permit approvals.

2.3.1 Submittal of Developer's Applications. The Developer shall submit relevant development applications and supporting documentation, and all other applications necessary to obtain the Project Entitlements (collectively, the "Developer's Applications"). These submittals shall be provided in the time period designated in the Schedule of Performance.

2.3.2 Defects in Plans. The City shall not be responsible to the Developer or to third parties in any way for any defects in the Developer's Applications nor for any structural or other defects in any work done according to the Developer's Applications, nor shall the City be responsible for any delays caused by the review and approval processes established by this Article 2 or the reviews conducted by the City in the Schedule of Performance.

2.4 Schedule of Performance. The Developer has submitted or shall submit all of the Developer's Applications, and if approved by the City shall commence and complete construction of the Project, and shall satisfy all other obligations and conditions of this Agreement within the times established therefor in the Schedule of Performance. The City's City Manager is permitted to modify or extend the Schedule of Performance without further authorization by the City of El Cajon City Council (the "City Council") provided that each of the following conditions are satisfied: (i) the modification does not prohibit the Developer from obtaining a certificate of occupancy for the Project no later than eighteen (18) months from the Effective Date; (ii) the City Manager and the Developer agree to the modification or extension in a writing executed by both the Developer and the City Manager; (iii) the Developer is not otherwise in default under this Agreement; and (iv) such modification or extension does not increase the City's obligations or costs under this Agreement.

2.5 Costs of Construction. Except as provided in Section 3 below, all of the costs of planning, designing, developing and constructing the Project, site preparation and grading shall be borne solely by the Developer.

2.6 Rights of Access. For purposes of assuring compliance with this Agreement, representatives of the City shall have the right of access to the Site at normal construction hours during the period of construction and upon reasonable prior notice to the Developer, including but not limited to, the inspection of the work being performed in the construction of the Project. The City shall indemnify, defend and hold the Developer harmless from any loss, damage, injury, accident, casualty, liability, claim, cost or expense (including, but not limited to, reasonable attorneys' fees) of any kind or character to any person or property (collectively, "Claims") arising from or related to the City's inspection of the Project as permitted by this Section 2.6. Notwithstanding the prior sentence, the City shall not be liable for such Claims to the extent and in the proportion that the same is ultimately determined to be attributable to the negligence or misconduct of the Developer or its agents, representatives, employees, directors, officers or consultants. This section does not apply to, limit or otherwise restrict or impose conditions on any inspection or entry right the City has pursuant to State law or the City of El Cajon Municipal Code.

2.7 Miscellaneous Rules and Regulations Applicable to Development of the Project.

2.7.1 Compliance with Laws. The Developer shall carry out the design and construction of the Project in conformity with all applicable laws, including all applicable state labor standards, the City zoning and development standards (except as otherwise provided herein), building, plumbing, mechanical and electrical codes, and all other provisions of the City of El Cajon Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, et seq., Government Code Section 4450, et seq., Government Code Section 11135, et seq., and the Unruh Civil Rights Act, Civil Code Section 51, et seq.

2.7.2 Nondiscrimination in Employment. The Developer certifies and agrees that all persons employed or applying for employment by it (including all contractors and subcontractors used by the Developer) in constructing the Project on the Site (collectively, the "Construction Personnel") are and will be treated equally without regard to, or because of, race, color, religion, ancestry, national origin, sex, sexual orientation, age, pregnancy, childbirth or related medical condition, medical condition (cancer related) or physical or mental disability, and in compliance with Title VII of the Civil Rights Act of 1964, 42 U.S.C. Section 2000, et seq., the Federal Equal Pay Act of 1963, 29 U.S.C. Section 206(d), the Age Discrimination in Employment Act of 1967, 29 U.S.C. Section 621, et seq., the Immigration Reform and Control Act of 1986, 8 U.S.C. Section 1324b, et seq., 42 U.S.C. Section 1981, the California Fair Employment and Housing Act, Cal. Government Code Section 12900, et seq., the California Equal Pay Law, Cal. Labor Code Section 1197.5, Cal. Government Code Section 11135, the Americans with Disabilities Act, 42 U.S.C. Section 12101, et seq., and all other antidiscrimination laws and regulations of the United States and the State of California as they now exist or may hereafter be amended. Subject to any

privacy rights of the affected individuals, upon the reasonable request by the City, the Developer shall allow representatives of the City access to Construction Personnel records during regular business hours to verify compliance with these provisions in connection with the Project and construction thereof. Any contract or agreement entered by the Developer with Construction Personnel shall specifically incorporate this section and shall include a provision providing the City access to the Construction Personnel's records referenced in the prior sentence.

2.7.3 Levies and Attachments on Site and Building. As a condition precedent to the City's obligation to issue a Release of Construction Covenants pursuant to Section 2.8 of this Agreement, the Developer shall remove or have removed any levy or attachment made on the Site and Building or any part thereof, or assures the satisfaction thereof within a reasonable time. Nothing herein shall be deemed to prohibit the Developer from contesting the validity or amount of any levy or attachment or to limit the remedies available to the Developer with respect thereto.

2.7.4 Insurance. The Developer shall maintain insurance as provided by Section 6 of this Agreement.

## 2.8 Release of Construction Covenants.

2.8.1 Promptly after completion of construction of the Project in conformity with this Agreement, the City shall promptly deliver to the Developer a Release of Construction Covenants, executed and acknowledged by the City substantially in the form provided on Attachment 4, attached hereto and incorporated herein by this reference. The Release of Construction Covenants shall be a conclusive determination of satisfactory completion of the construction of the Project, and the Release of Construction Covenants shall so state. Following the issuance of a Release of Construction Covenants, any party then owning or thereafter purchasing, leasing or otherwise acquiring any interest in the Site shall not (because of such ownership, purchase, lease or acquisition) incur any obligation or liability under this Agreement with respect to development of the Site or construction of the Project; however, any such party shall be subject to those continuing covenants described in Section 4 of this Agreement.

2.8.2 If City refuses or fails to furnish a Release of Construction Covenants in accordance with the preceding paragraph, and after written request from the Developer, the City shall, within thirty (30) days after receipt of such written request therefor, provide the Developer with a written statement of the reasons the City refused or failed to furnish the Release of Construction Covenants. The statement shall also contain the City's opinion of the actions the Developer must take or cause to be taken to obtain the Release of Construction Covenants. The Release of Construction Covenants shall not constitute evidence of compliance with or satisfaction of any obligation of the Developer to any holder of any mortgage, or any insurer of a mortgage securing money loaned to finance the Project, or any part thereof. The Release of Construction Covenants is not a notice of completion as referred to in Section 3093 of the California Civil Code.

### 3. CITY REIMBURSEMENT FOR IMPROVEMENTS

3.1 Eligible Rehabilitation Improvements. In consideration for the Developer's investment in the City through the construction of the Project on the Site, the City shall, subject to the satisfaction of the conditions precedent identified in Section 3.2, return to the Developer a percentage of the Net Sales Taxes From the Site consistent with the formula and term described in the City Reimbursement Schedule set forth in Attachment 5 hereto (the "City Reimbursement").

3.2 Conditions Precedent to City Reimbursement Obligation. Prior to, and as a condition precedent to, the City's obligation to fund or disburse any portion of the City Reimbursement, the following conditions precedent (each a "Disbursement Milestone"), which are for the sole and exclusive benefit of the City, and shall be completed to the satisfaction of, or valued by, the City.

3.2.1 The Developer shall have executed, with signatures notarized, the "Operating Covenant" (as that term is defined in Section 4 below), and the Operating Covenant shall have been recorded against the Site, subject only to (a) easements, restrictions, financing, and reservations of record in existence prior to the Effective Date; and (b) that certain Ground Lease executed February 19, 2013, between Sunroad E-C Land, Inc., as Landlord, and BCV Auto, Inc., as Tenant by Instrument recorded \_\_\_\_\_, as Document No. \_\_\_\_ - \_\_\_\_\_, Official Records, San Diego County Recorder's Office. The City acknowledges that the Developer is pursuing financing to fund construction of the Project and agrees, if requested by the mortgagor, to subordinate the Operating Covenant to any documents recorded in favor of the mortgagor in connection with such financing.

3.2.2 All Project Entitlements shall have been approved by all applicable government or regulatory entities and shall be final. Any applicable statute of limitations to challenge such Project Entitlements shall have passed without the commencement of a challenge (including a referendum), shall have been waived by the City or, if a timely challenge has been made, such challenge shall be resolved in a manner that is acceptable to the City.

3.2.3 The Developer shall have provided evidence of financing to the City and the City shall have approved the same.

3.2.4 The Developer shall have provided evidence to the City that the Developer has procured insurance as required by Section 6.1 hereof.

3.2.5 The Developer shall have provided evidence to the City's City Manager that the Developer has obtained approval from BMW for the Project, including the Developer's site plan and all construction plans and drawings.

3.2.6 The Developer shall not be in breach of its obligations under this Agreement and the Operating Covenant.

3.2.7 The Developer shall obtain building permits for the Project work to be performed.

3.3 Disbursement of City Reimbursement. The City shall disburse the City Reimbursement to the Developer in accordance with the provisions of this Agreement. Each disbursement of a portion of the City Reimbursement shall be conditioned upon the Developer's compliance with this Agreement, and shall include a calculation of the Net Sales Taxes From the Site as defined in City Reimbursement Schedule set forth in Attachment 5, hereto.

3.4 City Development Responsibilities. In order to assist the Developer in the successful construction of the Dealership, and in addition to the consideration otherwise contained herein, the City hereby agrees as follows:

3.4.1 The City will reimburse Developer for all soft and hard costs of relocating the existing sewer system, including required traffic controls, concrete encasement as necessary to facilitate final grades as well as any costs attributable to upsizing the sewer piping for the Dealership, within thirty (30) days after the City has completed a final inspection of the sewer improvements and the Developer has submitted documentation to the City of the costs of such sewer improvements.

3.4.2 The City will be responsible for re-paving (i.e., overlaying) Marshall Avenue, from El Cajon Boulevard to West Main Street ("Marshall Avenue Repaving") not later than the end of fiscal year 2015-16, but using its best efforts to complete such work before the end of fiscal year 2013-14.

3.4.3 The City commits to assigning a mid-management level employee to expedite the processing of all Project Entitlements, including the review of all required plans, studies or reports for the Dealership.

3.4.4 The City will reimburse Developer for all soft and hard costs of all off-site public improvements, including but not limited to restriping Marshall Avenue to accommodate an extended right turn lane, frontage improvements within the public right of way including relocation of fire hydrants (as necessary), fire service lateral connection to the water main, curb and gutter repair or replacement, sidewalk repair or replacement, and off-site landscaping required as a result of the Project Entitlements for the Dealership ("City Funded Improvements"). The Developer shall provide the City with documentation of the soft and hard costs of the City Funded Improvements within thirty (30) days after City inspection of the City Funded Improvements.

3.4.5 During the term of this Agreement the City will trim and maintain, as necessary, existing street trees and other landscaping located in the median and along El Cajon Boulevard from Wilson Avenue to Marshall Avenue to maximize the visibility of the Dealership for arriving customers.

3.4.6 If supported by a focused intersection capacity analysis, the City will increase the length of the left turn lane from El Cajon Boulevard onto Marshall Avenue ("Left Turn Lane Improvements").

3.4.7 If requested by the Developer, the City will consider rescinding the existing two-hour parking zone on El Cajon Boulevard along the frontage of the Site.

3.4.8 The City shall deem the Developer's Project pending and subject to all sign regulations existing as of December 11, 2012, and timely process all necessary sign permit applications in order for the Developer to install the maximum number and types of on-site commercial signs including, without limitation, a freeway visible pylon sign; a second pylon sign on the property viewable from Marshall Avenue and El Cajon Boulevard; full BMW dealership required signage (e.g., colors, sizes and locations on improvements) on the Site; and monument directional signs for parts, service, used cars, certified used cars, new cars, and express service.

3.4.9 The City's financial obligations in subsections 3.4.2, 3.4.4 and 3.4.6 of this Section 3.4 are subject to the availability of former El Cajon Redevelopment Agency funds and the approval of the California Department of Finance. The City shall seek approval so that the improvements may be funded in fiscal year 2013-14, and construction completed before the end of fiscal year 2014-15. In the event that the City is unable to obtain such approval or identify other City funding sources within twelve (12) months after the Effective Date, the City covenants that it shall use any legally available funds to fully finance the Marshall Avenue Improvements, City Improvements, and/or Left Turn Lane Improvements.

3.5 City-Initiated Land Use Regulations. The City agrees to use its best efforts to initiate and process, for City Council consideration, the adoption of an updated land use plan (e.g., a specific plan, or a general plan amendment, including implementing ordinances to amend its zoning code, as necessary) applicable to the Site and adjacent areas. The initiation of these efforts shall begin not later than December 31, 2013, and would include reasonable land use regulations to encourage compatible uses and development for properties, and to prohibit uses incompatible to the Dealership on neighboring properties. The parties agree that the following types of uses are incompatible with a BMW dealership: check cashing; liquor stores; tattoo parlors; tobacco retailers and smokerooms; medical marijuana dispensaries; adult entertainment; card rooms; homeless shelters; food banks; food stamp distribution or collection premises (excluding therefrom regional or larger supermarkets that redeem food stamps); gun shops and other shops selling ammunition or other weapons, whether firearms or otherwise; massage parlors; and bars, nightclubs, or other similar uses the predominant feature of which is the on-site sale of alcoholic beverages.

3.6 Additional City Commitments. The City further agrees to the following commitments:

3.6.1 The City shall designate El Cajon Boulevard, from the Interstate 8 off ramp in the south to its intersection with Main Street in the north a problem oriented policing ("POP") project. City law enforcement will use its best efforts to address lawlessness as a POP project.

3.6.2 The City will assist the Developer, to the extent possible, in seeking the cooperation of the Metropolitan Transit System ("MTS") to eliminate storm water runoff

originating within the MTS right-of-way and other areas under MTS control up-slope from the Site.

4. OPERATION OF THE PROJECT AND COVENANTS, CONDITIONS AND RESTRICTIONS APPLICABLE TO THE SITE AFTER COMPLETION OF CONSTRUCTION OF THE PROJECT

Concurrently with the Developer's execution of this Agreement, the Developer shall execute and acknowledge an Operating Covenant substantially in the form attached hereto and incorporated herein as Attachment 6 (the "Operating Covenant"). The Operating Covenant shall be recorded within five (5) days after the Effective Date. The Developer's execution of the Operating Covenant shall be a material component of this Agreement and a condition precedent to all of the City's obligations in this Agreement. The Operating Covenant shall obligate the Developer to construct the Project and shall obligate the Developer to operate the Project for a minimum period of fifteen (15) years, commencing on the date the City issues a Release of Construction Covenants for the Project.

5. DEFAULTS AND REMEDIES

5.1 Default. Subject to the extensions of time set forth in Section 9.2 of this Agreement, (1) failure by any party to perform any action or adhere to any covenant or representation or warranty required by this Agreement, including in any of the attachments hereto, within the time periods provided herein following notice and an opportunity to cure as described in this Section 5.1, or (2) the filing of a petition in bankruptcy by or against the Developer or appointment of the receiver or trustee of any property constitutes a "Default" under this Agreement. The breach or falsity of any representation or warranty by a party as set forth in this Agreement also constitutes a "Default" under this Agreement following notice and an opportunity to cure as described hereinafter. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default as to non-monetary Defaults if such party, within thirty (30) days from receipt of such notice, promptly and with due diligence, commences to cure, correct or remedy such failure or delay and thereafter completes such cure, correction or remedy with due diligence. In no event shall a party be allowed more than 180 days to cure a default. As to monetary Defaults, a cure period of ten (10) days upon written notice shall apply.

Notwithstanding anything to the contrary in this Agreement, no notice of Default shall be necessary, nor shall the Developer have a right to cure a Default resulting from a Transfer, as that term is defined below, that has not been approved by the City.

5.2 Institution of Legal Actions; Remedies. In addition to any other rights or remedies, and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, or to obtain any other remedy consistent with the purpose of this Agreement. The City shall also have the right to pursue damages (but only actual damages) for the Developer's Defaults, but in no event shall the Developer be entitled to

damages of any kind from City, except as a result of the City's Default of its obligation to make the City Reimbursement in which case the Developer shall be entitled to specific performance of this Agreement or, if such remedy is not available, then damages not in excess of the maximum amount of the City Reimbursement, but such damages shall not include lost profits or other consequential damages of any kind. Such legal actions must be instituted in the Superior Court of the County of San Diego, State of California, or in the Federal District Court in the Central District of California. Developer hereby waives any right to remove any such action from San Diego County as is otherwise allowed by California Code of Civil Procedure section 394.

5.3 Acceptance of Service of Process. In the event that any legal action is commenced by the Developer against the City, service of process on the City shall be made by personal service upon the City Manager of the City or the City Clerk of the City if there is no City Manager in addition to such other manner as may be provided by law. In the event that any legal action is commenced by the City against the Developer, service of process on the Developer shall be made by personal service upon any officer or director of the Developer, whether made within or outside the State of California, or in such other manner as may be provided by law.

5.4 Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same Default or any other Default by the other party.

5.5 Inaction Not a Waiver of Default. Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

5.6 No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

5.7 Applicable Law. The internal laws of the State of California shall govern the interpretation and enforcement of this Agreement, without regard to conflict of law principles.

## 6. INSURANCE REQUIREMENTS; REPAIR AND RESTORATION OF PROJECT

6.1 Insurance Requirements. The Developer shall maintain, at all times during the term of this Agreement, insurance in such amounts and providing such coverage commonly required for an automobile dealership in the State of California, including, but not limited to, commercial general liability, workers' compensation, automobile, and fire and casualty (including "all risk") insurance, all to protect the Dealership from interruption from operations.

6.2 Remedies for Defaults Re: Insurance. In addition to any other remedies the City may have if the Developer commits a Default hereunder by failing to provide or maintain any insurance policies or policy endorsements to the extent, and within the time herein required, the City may at its sole option obtain such insurance and deduct the amount of the premium for such insurance from any sums due to the Developer by the City from the City Reimbursement. Exercise of such remedy, however, is an alternative to other remedies the City may have and is not the exclusive remedy for the Developer's failure to maintain insurance or secure appropriate endorsements.

6.3 Obligation to Repair and Restore Damage Due to Casualty Covered by Insurance. If the Project shall be totally or partially destroyed or rendered uninhabitable by fire or other casualty required to be insured against by the Developer, the Developer shall promptly proceed to obtain all available insurance proceeds and take all steps necessary to begin reconstruction and, immediately upon receipt of insurance proceeds, to promptly and diligently commence the repair or replacement of the Project to substantially the same condition as they existed prior to the casualty, and the Developer shall complete or cause to be completed the same as soon as possible thereafter so that the Project can be operated in accordance with this Agreement. The City shall cooperate with the Developer, at no expense to the City, in obtaining any governmental permits required for the repair, replacement, or restoration.

## 7. TRANSFER RESTRICTIONS

7.1 Prohibition. The qualifications and identity of the Developer are of particular concern to the City. It is because of these qualifications and identity that the City has entered into this Agreement with the Developer. Accordingly, commencing upon the Effective Date and continuing throughout the term of the Operating Covenant: (i) no voluntary or involuntary successor in interest of the Developer shall acquire any rights or powers under this Agreement; (ii) the Developer shall not make any total or partial sale, transfer, conveyance, assignment, subdivision, further encumbrance, refinancing, or lease of the whole or any part of the Site or the Project thereon; and (iii) no changes shall occur with respect to the ownership and/or control of the Developer, including, without limitation, stock transfers, sales of issuances, or transfers, sales or issuances of membership or ownership interests, or statutory conversions (with each of the actions in clauses (i), (ii), and (iii) above, referred to herein as a "Transfer"), without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed. Any purported Transfer, voluntarily or by operation of law, except with the prior written consent of the City, shall be null and void and shall confer no rights whatsoever upon any purported assignee or transferee.

7.2 Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, the City's approval of a Transfer shall not be required in connection with any of the following:

- (a) Any Transfer by the Developer to a "Related Person or Entity" (as defined below).

(b) A Transfer consisting of the conveyance or dedication of any portion of the Site to the City or other appropriate governmental City, including public utilities, where the granting of such easements permits or facilitates the development of the Site and the Project.

(c) Any Transfer for: (i) financing purposes to the holder of a mortgage; (ii) any refinancing or permanent financing of the mortgage; or (iii) any Transfer to any person or entity pursuant to foreclosure or deed in lieu of foreclosure of any such mortgage referred to in clauses (i) or (ii).

In the event of a Transfer by the Developer not requiring the City's prior approval, the Developer nevertheless agrees that at least thirty (30) days prior to such Transfer, the Developer shall give written notice to the City of such Transfer. In the case of a Transfer pursuant to subparagraph (a) above, the Developer agrees that at least thirty (30) days prior to such Transfer it shall provide satisfactory evidence that the transferee has assumed, or upon the effective date of transfer will assume, in writing through an assignment and assumption agreement, in form reasonably acceptable to the City, all of the obligations of the Developer under this Agreement which remain unperformed as of such Transfer or which arise from and after the date of Transfer.

As used in this Agreement, a "Related Person or Entity" shall mean an entity in which the Developer, or an entity in which Sunroad E-C Land, Inc. or a majority of Sunroad E-C Land, Inc.'s shareholders, own a greater than fifty percent (50%) ownership and management interest, has a greater than fifty percent (50%) ownership and management interest; provided, however, that such Related Person or Entity shall demonstrate that such person or entity has been approved in writing by BMW to operate the Project thereon.

CITY REIMBURSEMENT SCHEDULE

1. Reimbursement Payments. Starting in the first Operating Year, as defined below, following recordation of the Release of Construction Covenants as the term is defined in the Agreement, and each Operating Year thereafter for the Term of this Note, the City shall reimburse the Developer in each quarter of the Operating Year in an amount equal to:

Seventy-five percent (75%) of the "Net Sales Taxes From the Site" generated on the Site during Operating Years 1 through 5, inclusive;

Sixty percent (60%) of the "Net Sales Taxes From the Site" generated on the Site during Operating Years 6 through 10, inclusive; and

Fifty percent (50%) of the "Net Sales Taxes From the Site" generated on the Site during Operating Years 11 through 15, inclusive.

As used herein, the term "Net Sales Taxes from the Site" shall mean the "Sales Taxes From the Site" in excess of \$93,000 in each quarter of the year, as defined below. Operating Year shall mean the first twelve full months following the recordation of the Release of Construction Covenants and each subsequent twelve full months the Operating Covenant is in place, and "quarter of the year" shall mean such calendar quarters as calculated by the State Board of Equalization.

a. As used herein, the term "Sales Taxes From the Site" means the amount equal to the sales and use taxes that are generated from sales occurring on the Site on which sales or use taxes are imposed pursuant to applicable California law in each Operating Year, which are actually received by the City from the State Board of Equalization. In connection therewith:

(i) The Developer shall timely report, and shall cause its tenants (if any) to report all sales and use taxes from the Site to the State Board of Equalization in accordance with the laws, rules, and regulations applicable to such reporting.

(ii) Sales Taxes from the Site shall be deemed to have been paid by the State Board of Equalization to the City if and to the extent the State Board of Equalization elects to offset the payment of any such Sales Taxes From the Site against any other obligation of the City.

(iii) The Developer acknowledges that the State Board of Equalization makes payments to the City based on both actual and anticipated sales and use tax revenues and that the State Board of Equalization makes periodic reconciliations. The determination of Sales Taxes from the Site for any annual, quarterly, or other period shall be subject to the timing and reconciliation process related to the processing by the State Board of Equalization of payments of such Sales Taxes From the Site to the City. Any adjustments resulting from any interim or estimated determination of Sales Taxes From the Site for any

annual, quarterly, or other period shall be reconciled by the parties as soon as practicable without inclusion of, or any obligation to pay, interest.

(iv) Sales Taxes From the Site shall be determined based on actual amounts received by the City based only on the City's share of the State sales and use tax applicable to the Site (which, as of the Effective Date, is 1.0% of the taxable amount) within each Operating Year. Sales Taxes From the Site shall not include amounts paid to the City by the State Board of Equalization derived from any sales tax overrides or special tax amounts received by the City, nor shall include any administrative fees or charges imposed by the State Board of Equalization that reduce the actual amounts of sales and use taxes received by the City.

(v) The Developer shall, and shall cause its tenants (if any) to, keep full and accurate books of account, records, and other pertinent data showing all gross income earned upon the Site that is reportable for California sales and use tax purposes, including all documents required to be maintained by the State of California for sales and use tax purposes.

(vi) The Developer shall furnish, and shall cause its tenants (if any) to furnish, to City true and correct photocopies of its quarterly California sales and use tax returns at the time each is filed with the State of California, together with a copy of all checks or wire transfers or other forms of transfer of funds sent for such payment of sales and use taxes.

2. Reimbursement Prepayment. The City shall have the right to prepay all or any portion of its obligations for reimbursement at any time without penalty.

3. Expiration of Reimbursement Obligation. If, after fifteen (15) years after the recordation of the Release of Construction Covenants, the cumulative applicable Net Sales Taxes From the Site has not fully reimbursed the Developer for its Eligible Project Costs, the term of the Agreement notwithstanding, City's obligation to pay reimbursements to the Developer shall terminate and be of no further force or effect.

For a term (the "Term") commencing upon the recordation of the Release of Construction Covenants and continuing until the fifteenth (15<sup>th</sup>) anniversary of the date of recording of the Release of Construction Covenants for the Project (the "Operating Covenant Termination Date"), the Developer hereby covenants and agrees to devote the Property for the exclusive purpose and use of development and operation of the Project and will comply with the other obligations contained herein. Notwithstanding anything herein to the contrary, the nondiscrimination covenants contained in subdivision (a) of Section 4 hereof shall run with the Property in perpetuity and shall not terminate on the Operating Covenant Termination Date. Except as provided below, or with the prior written consent of the City for each instance, which consent may be granted or withheld in the City's sole and absolute discretion, the failure of the Developer (or its tenant) to operate any portion of the Project on the Property as required herein for thirty (30) or more consecutive days shall, at the City's option, constitute a default hereunder; provided, however, that the Developer shall for purposes of this Section 1 be deemed to be operating such portion of the Project during any period that the Developer is prevented from operating such portion due to: (i) required or necessary rehabilitation of such portion of the Project (provided that the period during which such portion of the Project is not operated as a result of the rehabilitation shall in no event exceed thirty (30) days), unless the rehabilitation cannot reasonably be completed within such thirty (30) day period, in which case the period may extend as necessary for completion, provided such rehabilitation was commenced within the thirty (30) day period and is diligently pursued to completion, but in no event shall rehabilitation efforts exceed 180 days; or (ii) war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplier; acts or omissions of the other party; or acts or failures to act of the City or other public or governmental entity. Notwithstanding anything to the contrary herein, (a) an extension of time for any cause listed in romanette (ii) above shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the Developer is sent to the

other party within ten (10) days of the commencement of the cause, and (b) the Developer is not entitled pursuant to this Section 1 to an extension of time to perform because of past, present, or future difficulty in obtaining financing necessary to operate the Project because of economic or market conditions.

## **2. Performance of Maintenance.**

(a) The Developer shall maintain the Project, the Property and all “improvements” (as defined hereinafter) thereon in accordance with the Maintenance Standards, as hereinafter defined. As used herein, the term “Improvements” shall mean and include, but not be limited to, buildings, sidewalks, pedestrian lighting, landscaping, irrigation of landscaping, architectural elements identifying the Property and any and all other improvements on the Property.

(b) To accomplish said maintenance, the Developer shall either use staff or contract with and hire licensed and qualified personnel to perform the maintenance work, including the provision of labor, equipment, materials, support facilities, and any and all other items necessary to comply with the requirements of this Operating Covenant.

(c) The following standards (“Maintenance Standards”) shall be complied with by the Developer and the Developer’s maintenance staff, contractors or subcontractors:

1. Landscape maintenance shall include, but not be limited to: watering/irrigation; fertilization; mowing; edging; trimming of grass; tree and shrub pruning; trimming and shaping of trees and shrubs to maintain a healthy, natural appearance and safe road conditions and visibility, and irrigation coverage; replacement, as needed, of all plant materials; control of weeds in all planters, shrubs, lawns, ground covers, or other planted areas; and staking for support of trees.

2. Clean-up maintenance shall include, but not be limited to: maintenance of all sidewalks, paths and other paved areas in clean and weed-free condition; maintenance of all such areas clear of dirt, mud, trash, debris or other matter which is unsafe or unsightly; removal of all trash, litter and other debris from improvements and landscaping prior to mowing; clearance and cleaning of all areas maintained prior to the end of the day on which the maintenance operations are performed to ensure that all cuttings, weeds, leaves and other debris are properly disposed of by maintenance workers.

3. All maintenance work shall conform to all applicable federal and state Occupational Safety and Health Act standards and regulations for the performance of maintenance.

4. Any and all chemicals, unhealthful substances, and pesticides used in and during maintenance shall be applied in strict accordance with all governing regulations. Precautionary measures shall be employed recognizing that all areas are open to public access.

5. The Project and Property shall be maintained in conformance and in compliance with the approved Property construction and architectural plans and design scheme, as the same may be amended from time to time with the approval of the City, and

reasonable commercial development maintenance standards for similar projects, including but not limited to: painting and cleaning of all exterior surfaces and other exterior facades comprising all private improvements and public improvements to the curblin and the repair and maintenance of all sidewalks, driveways, parking areas and all hard scape surfaces to keep these areas free from cracked and damaged surfaces.

**3. Failure to Maintain Property.**

In the event the Developer does not maintain the Property in the manner set forth herein and in accordance with the Maintenance Standards, the City shall have the right to maintain such private and/or public improvements, or to contract for the correction of such deficiencies, after written notice to the Developer. However, prior to taking any such action, the City agrees to notify the Developer in writing if the condition of the Project or Property does not meet with the Maintenance Standards and to specify the deficiencies and the actions required to be taken by the Developer to cure the deficiencies. Upon notification of any maintenance deficiency, the Developer shall have thirty (30) days within which to correct, remedy or cure the deficiency. If the written notification states the problem is urgent relating to the public health and safety of the City, then the Developer shall have forty-eight (48) hours to rectify the problem.

In the event the Developer fails to correct, remedy, or cure (or for deficiencies which cannot reasonably be corrected, remedied, or cured within thirty (30) days has failed to commence correcting, remedying or curing such maintenance deficiency and diligently pursue such correction, remedy, or cure to completion) after notification and after the period of correction has lapsed, then the City shall have the right to maintain such improvements. The Developer agrees to pay the City such charges and costs. Until so paid, the City shall have a lien on the Property for the amount of such charges or costs, which lien shall be perfected by the recordation of a "Notice of Claim of Lien" against the Property. Upon recordation of a Notice of a Claim of Lien against the Property, such lien shall constitute a lien on the leasehold interest in the Property prior and superior to all other monetary liens except: (i) all taxes, bonds, assessments, and other levies which, by law, would be superior thereto; (ii) the lien or charge of any mortgage, deed of trust, or other security interest then of record made in good faith and for value, it being understood that the priority of any such lien for costs incurred to comply with this Operating Covenant shall date from the date of the recordation of the Notice of Claim of Lien. The Developer shall be liable for any and all attorneys' fees, and other legal costs or fees incurred in collecting said maintenance costs.

**4. Compliance with Law.** The Developer shall comply with all local, state and federal laws relating to the uses of or condition of the Property and the Project. The operation of the Project shall be in compliance with the requirements of any entitlements issued by the City for the Project, including, as applicable, a conditional use permit, site development permit, and specific plan amendment.

(a) Nondiscrimination Covenants. The Developer covenants, by and for itself and any successors in interest to all or any portion of the Property, that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, sexual preference, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the

Developer itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, subleases or vendees of the Property. The foregoing covenants shall run with the land.

The Developer shall refrain from restricting the rental, sale or lease of the Property any portion thereof on the basis of race, color, religion, sex, sexual preference, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

(1) In deeds: "The grantee herein covenants, by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, sexual preference, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

(2) In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against, or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual preference, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased, nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

(3) In contracts: "There shall be no discrimination against, or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual preference, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

(b) No Violation of Statutes Relating to Direct Assistance by City. The Developer represents and warrants that it is using the City financial assistance for the sole and exclusive purpose of causing the construction of the Project on the Property and for no other purpose. The Developer further agrees to indemnify, defend, and hold harmless the City from

and against any claims, proceedings, losses, costs, or expenses incurred as a result of any such violation arising out of actions by the Developer.

5. **Sales and Use Tax Covenant.** From the date this Operating Covenant is recorded against the Property until the Operating Covenant Termination Date, the Developer shall designate the Property as the point of sale for sales tax purposes for all goods and services sold or leased on the Property, whose sales and leases originate from the Property.

6. **Covenant to Pay Taxes and Assessments.** From the date this Operating Covenant is recorded against the Property until the Operating Covenant Termination Date, the Developer shall pay or cause to be paid, prior to delinquency, all ad valorem real estate taxes (including possessory interest taxes), special taxes, and assessments levied against the Property and any improvements thereon, subject to the Developer's right to contest any such tax or assessment in good faith. During such period, the Developer shall remove or have removed any levy or attachment made on the Property or any part thereof or assures the satisfaction thereof within a reasonable time and prior to a sale of the Property.

7. **Defaults.**

(a) Failure or delay by either party to perform any term or provision of this Operating Covenant constitutes a default under this Operating Covenant. A party claiming a default shall give written notice of default to the other party, specifying the default complained of and the actions required to correct such default.

(b) Unless otherwise provided by the Agreement, the claimant shall not institute proceedings against the other party if the other party, within thirty (30) days from receipt of such notice, immediately and with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy as soon as reasonably practicable after receipt of such notice, but in no event shall the cure, correction or remedy occur more than 180 days after notice.

8. **Legal Actions.**

(a) In addition to any other rights or remedies, and subject to the notice and cure provisions in Section 7 above, any party may institute legal action to seek specific performance of the terms of this Operating Covenant, or to cure, correct or remedy any default, or to obtain any other legal or equitable remedy consistent with the purpose of this Operating Covenant. The City shall also have the right to pursue damages for the Developer's defaults, but in no event shall the Developer be entitled to damages of any kind from City, including, without limitation, damages for economic loss, lost profits, or any other economic or consequential damages of any kind. Such legal actions must be instituted in the Superior Court of the County of San Diego, State of California or in the Federal District Court in the Central District of California. In the event of any litigation between the parties hereto, the prevailing party shall be entitled to receive, in addition to the relief granted, its reasonable attorney's fees and costs and such other costs incurred in investigating the action and prosecuting the same, including costs for expert witnesses, costs on appeal, and for discovery.

(b) The internal laws of the State of California shall govern the interpretation and enforcement of this Operating Covenant, without regard to conflict of laws.

(c) In the event that any legal action is commenced by the Developer against the City, service of process on the City shall be made by personal service upon the City Manager of the City in addition to such other manner as may be provided by law.

(d) In the event that any legal action is commenced by the City against the Developer, service of process on the Developer shall be made by personal service upon any officer or director of the Developer, whether made within or outside the State of California, or in such other manner as may be provided by law.

(e) Except as otherwise expressly stated in this Operating Covenant, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

(f) Any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

**9. Effect of Violation of the Terms and Provisions of this Operating Covenant.**

The covenants established in this Operating Covenant shall, without regard to technical classification and designation, be binding for the benefit and in favor of the City, and its successors and assigns, as to those covenants which are for its benefit. The covenants contained in this Operating Covenant shall remain in effect for the periods of time specified therein. The City is deemed the beneficiary of the terms and provisions of this Operating Covenant and of the covenants running with the Property, for and in their own rights and for the purposes of protecting the interests of the community and other parties, public or private, in whose favor and for whose benefit this Operating Covenant and the covenants running with the land have been provided. This Operating Covenant and the covenants shall run in favor of the City, without regard to whether the City has been, remains or is an owner of any land or interest therein in the Property. The City shall have the right, if the Operating Covenant or covenants are breached, to exercise all rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which they or any other beneficiaries of this Operating Covenant and covenants may be entitled. Pursuant to applicable law, including, but not limited to, Section 1462, 1465 and 1468 of the Civil Code of the State of California, all provisions of this Covenant Agreement shall run with the Property and be binding upon and inure to the benefit of the Benefited Public Property and the Property and each and every portion thereof or interest therein, and all parties having or acquiring any right, title, or interest in the Property or any portion thereof, and their successors and assigns.
